

Cuban Journal of Agricultural Science

Contents of Volume 49, No. 2, 2015

Biomatematics

<i>Torres, V. and Cobo, R.</i> Applied Mathematics in researches from the Instituto de Ciencia Animal. Fifty years of experience.....	117
---	-----

Genetics

<i>Fraga, L. M.</i> Main genetic researches developed at the Instituto de Ciencia Animal since its foundation.....	127
--	-----

Animal science

<i>Ybalmea, R.</i> Feeding and management of calf, a research in the Instituto de Ciencia Animal.....	127
<i>Reyes, J. J.</i> Principal results of the studies carried out at the Instituto de Ciencia Animal on bovine milk production.....	153
<i>Fundora, O.</i> Performance of river buffaloes (<i>Bubalus bubalis</i>) from Buffalypso breed in feeding systems based on grazing: fifteen years of researches in the Instituto de Ciencia Animal.....	161
<i>García Hernández, Y. and García Curbelo, Y.</i> Additives for animal feeding: The Institute of Animal Science on its 50 years.....	173
<i>Gutiérrez Borroto, O.</i> Ruminant digestive physiology as research subject at the Instituto de Ciencia Animal for fifty years.....	179
<i>Castro, M. and Martínez, M.</i> Pig feeding with nontraditional products: fifty years of research at the Instituto de Ciencia Animal.....	189
<i>Hidalgo, K. and Rodríguez, B.</i> Poultry feeding: fifty years of research at the Institute of Animal Science.....	197
<i>Valdivié, M. and Ponce de León, R.</i> Rabbit researches at the Instituto de Ciencia Animal.....	205

Pasture science

<i>Crespo, G., Rodríguez, I. and Lok, S.</i> Contribution to the study of soil fertility and its relation to pastures and forages production.....	211
<i>Herrera, R. S.</i> Instituto de Ciencia Animal: fifty years of experience in the evaluation of grasses with economical importance for animal husbandry.....	221
<i>Ruiz, T. E., Febles, G. and Alonso, J.</i> A scientific contribution to legume studies during the fifty years of the Institute of Animal Science.....	233
